

Rebeca Moreno-Cervantes

Education

My major is Veterinary Science with a minor in Business Administration. My long-term career goal is to become a veterinarian, working to care for animals is what I want to do most.

Technical Background

I would say my technical background is pretty average. Even though I don't have the best technical background I am confident when given something I may not be too familiar with I can figure it out with what I know.

About Me

I grew up in Mesquite, Nevada, and moved to Reno to attend UNR. Outside of academics, I love going to the gym, thrifting, sewing, designing clothing, and anything of that sort. I also enjoy spending lots of time with my family, friends, and dog Cookie Monster. I absolutely love listening to Radiohead, Lana Del Rey, The Marias, and many of those sort. My favorite movie is Pride and Prejudice and I really love anything romance or horror.
